Continuation of Substance of Interview including description of the general nature of what was discussed: It was agreed that incorporation of the limitation of claim 8 into the claims 1, 15, 19, 44 and 45 claim language would enable the claims allowable over the prior art. It was also agreed that claims 8 and 20 be cancelled since their similar limitations are being incorporated into independent claims above. It was further agreed that the changes be done by Examiner amendment inserting the above limitations after the limitation "client device" in order to expedite the process. It was also agreed that would be amended claims would overcome Ginter and Stefik (see enclosed PTO-892) in addition to the other prior art. .
